

## CONCERNING OUR STATE OF CALIFORNIA

I have been impressed to pray for God's hand of MERCY and PROTECTION over California; James 5:16. Dangerous individuals have infiltrated our land, and are poised to unleash acts of terrorism and destruction against the public. Also, there is a marked increase in seismic activity in our state. Please pray specifically for the following:

ITS HEAD – Sacramento; our Governor, Senator, Congressmen, State Supreme Court and their facilities

ITS HEART – Los Angeles, its Financial District and surrounding areas

ITS ARTERIES – which consist of:

Our Interstates and Freeways, especially 101, 5, 80, 99, 15

Our Water Supplies: rivers, aqueducts, streams, lakes, dams

Our Railroads, their tracks and bridges, Metrolink, Public Transportation

ITS ABILITY TO MOVE TO ACTION –

Air Force – its ability to fly, especially the Mojave Desert area

Army and Marines – their ability to move upon land, especially Camp Pendleton

Navy – its vessels, and their ability to move upon the water, especially San Diego

ITS BREAD BASKET – The San Joaquin Valley, Coachella Valley and other key locations for agriculture and livestock, for protection from disease and poisoning

ITS TRAFFIC IN THE SKY – Airport facilities, especially San Francisco, LAX, Ontario, John Wayne, San Diego

ITS PORTS AND TRADING LOCATIONS – Ports of Los Angeles, San Pedro-Long Beach, San Francisco, San Diego

ITS CELEBRATED PLACES – Historical Landmarks, Monuments, Performing Arts and Convention Centers, Stadiums, places where the public gathers in large numbers

ITS PLACES OF BEAUTY AND RECREATION – State Parks and Amusement Parks

ITS PLACES OF RECOVERY – Hospitals, Trauma Centers, Medical Research Facilities, American Red Cross and other Emergency Relief Services

ITS SOURCES OF POWER, ENERGY, COMMUNICATION – Power Plants, Power Grids, Satellites, Gas and Electric, Nuclear Facilities

ITS PLACES OF INSTRUCTION – Universities, Schools, Libraries, Museums

ITS AGENCIES FOR PUBLIC SAFETY – Department of Homeland Security, Police and Highway Patrols, Fire Departments, Border Patrols, State Courthouses
